PROFILE STATEMENT

As a recent computer science graduate, I possess a strong foundation in programming fundamentals, proficiency in data structures and algorithms, and hands-on experience with both SQL and non-SQL databases. My coursework has equipped me with application development skills, project management expertise, and a keen ability for critical thinking. I am eager to apply these capabilities to contribute effectively to a dynamic work environment and further develop my expertise in this field.

MY PROJECTs

Fraud Transaction Detector (Aug 2023 – Oct 2023)

- Worked as a Python programmer.
- Used Logistic regression model for classification.
- Dataset from Kaggle is used.

Finance Friend (Nov 2023 - Jan 2024)

- Acted as Flutter developer.
- Used flutter for front-end development.
- Integrated Firebase for backend management.

Blood Donation App (Feb 2023 - June 2023)

- Acted as full stack developer.
- Used flutter for front-end development.
- Node.js with SQL is used for backend development.

Live Covid-19 Tracker (2021)

- Performed as python programmer for data scrapping and algorithm design.
- Technologies used were Python itself along with its libraries.

EDUCATION

BS Computer Science (3.39/4.00)

University of Engineering and Technology, Taxila

August 18th, 2023

SKILLS

- Programming Fundamentals
- Data Structures & Algorithms
- SQL & non-SQL databases
- Application development
- Project Management
- Critical Thinking

PROGRAMMING LANGUAGES:

- Python for software development and data scrapping
- Java for desktop app development
- Dart (Flutter) & Firebase for android, iOSdevelopment
- Node.js for Api development
- SQL and non-SQL databases as DBMS
- HTML5, CSS3, JavaScript for Web development

Intermediate Pre-Engineering (82%)

Kips College For Boys, 649 D-1, D-ground, Faisalabad

May-June 2019

Matriculation (90%)

The Educators Boys High School, New City, Jaranwala, Faisalabad.

March-April 2017

EXTRA CERTIFICATIONS

I have done certain certifications through Coursera:

- Python for everybody from University of Michigan
- Python data Structures from University of Michigan
- Introduction to cybersecurity from IBM

EXTRA TRAINING

- Worked as Flutter Intern at Sunztech.
Sept 2023 – Nov 2023
- Freelancing as Computer programmer at Fiverr
Sept 2021 - Current
